Hi there!

Any chance I can get 15 minutes with you this week to talk to you about the [PBRB](#)? Specifically, how PBRB GSA ,and OMB work together on the Federal Asset Transfer Act (FATSA) Process.

Happy to connect 1:1 so I can get you caught up on a few things - or you can bring some of your team and I will bring Brett (COS) and Nitin (GC).

Let me know if there is someone better to help coordinate.

Talk to you soon.

All,

Hope you are well. Just putting a number of folks from the agencies with SOC items due back to me today, from last week's IPC on one thread. Feel free to loop in anyone else, but otherwise please use this email to either reply all or reply directly back to me with your E.O. language by COB today. As mentioned in my high side note, I am temporarily on unclassified telework only so **please ensure your agencies are getting me draft language back here on the unclassified system.**

I've attached the unclassified SOC for reference.

I wanted to emphasize the timelines and that we hope to move pretty quick in working through any issues, so I look forward to the submissions and getting back to the larger group with more concrete drafts. Thanks again.

From: MBX OMB vaccines (b) (6) >

Good afternoon,

Following on the communication below sent on Friday evening regarding an updated process for vaccine allocation for the essential critical infrastructure workforce of CFO Act executive departments and agencies listed in 31 U.S.C. 901(b) and the United States Postal Service (agencies), please review the following points in response to commonly asked questions about the updated process:

- | Vaccine availability is limited. In addition to submitting initial requests for potential direct allocation through HHS as the direct-allocation process ramps up, **agencies should continue any ongoing work with State and local jurisdictions**, and agencies should continue to encourage employees to accept vaccinations through those jurisdictions.
- | Agencies can submit their initial request for direct allocation of vaccines at the point in time when they have collected the required information and determined their plan for accepting, storing, and administering weekly vaccine throughput, either directly or through partners. **These initial requests will be considered *on a rolling basis* by HHS, and, importantly, do not have to be made by 12 pm tomorrow, Monday, February 8, but should be made as soon as possible once agencies have collected the necessary information and established a plan.**
- | If HHS approves an overall allocation for a given agency, those agencies will then work directly with HHS on a **weekly ordering process in which HHS will accept and review weekly requests made prior to 12:00 pm each Monday for that week's allocation.**
- | For the initial requests, once an agency has provided 3 points of contact (with name, email address, and phone number) authorized to submit the agency's initial request to MAX, those points of contacts will receive access to a Vaccine Allocation Request form in MAX that they can download, complete, and submit via MAX. **Initial requests should be submitted at the Department level, with component/bureau/operating division information included, for one overall initial request per agency.**
- | **Only those agencies that have identified a means to receive, store, and administer the vaccines, *including through partnership with another agency or through a viable contracting option with a contract provider*, will be eligible for potential allocations**, and such eligible requests are subject to approval by HHS on the basis of the information provided by agencies regarding their vaccination needs and plans, and on the basis of vaccine availability.
- | Again, agencies that are already receiving a direct allocation do not need to submit this information or alter current procedures and practices.

Any questions can be sent to (b) (6) .

Thank you for your continued commitment to the health and safety of the Federal workforce.

Subject: Updated Process: Vaccine Allocation for Essential Critical Infrastructure Federal Workforce

Good Evening,

Vaccine supply is limited. To the extent that CFO Act executive departments and agencies listed in 31 U.S.C. 901(b) and the United States Postal Service (agencies) have essential critical infrastructure workers, as defined below, they may submit a request to receive a direct allocation of vaccine for these employees.

Given the limited supply of doses, if an allocation is made available to an agency, it can expect to receive some portion of that allocation over a series of weeks until the identified and

approved population of agency-identified workers has been vaccinated. Only those agencies that have identified a means to receive, store, and administer the vaccines, including through partnership with another agency, will be granted allocations. If an allocation is approved, each agency will be responsible for ordering doses against its allocation based on its capacity to administer vaccinations. There will be additional instructions given when agencies are able to order vaccine.

To be considered for a direct allocation, agencies must submit a request to the Department of Health and Human Services (HHS) through (b) (6). By Sunday, February 7, please send the name, email, and phone number of up to three agency employees authorized to upload requests to MAX, to: (b) (6). Once these points of contact are received, access will be granted to the OMB MAX site and submission template.

HHS will accept and review all submissions made prior to 12:00 pm each Monday for that week's allocation. Agency submissions must include a detailed description of the agency's capacity and plan to administer vaccines, including its ability to receive vaccine and weekly vaccination throughput within the agency or through partners. Agency submission should also include the number of individuals in each priority group within each phase, as well as the number of individuals who have already received at least one vaccine dose or are scheduled to be vaccinated by group.

Agencies may want to partner with other agencies to coordinate vaccine distribution efforts, which should be noted on their submission to HHS. If an agency is partnering with another agency, it should provide a contact point from the other agency for any questions regarding distribution efforts. As soon as possible, agencies should submit information using the template located on the above MAX site for consideration.

Please note, agencies that are already receiving a direct allocation do not need to submit this information or alter current procedures and practices.

For purposes of requesting a vaccine allocation, agencies should use the following prioritization based on ACIP guidelines:

- | Phase 1a consists of individuals engaged in direct medical and clinical care or personnel identified as essential to continuity of government operations.
- | Phase 1b consists of individuals deployed for COVID-19 response that must work on-site and frontline essential workers that must work on-site, including first responders like Federal law enforcement and fire response; Federal education workers; Federal workers in the food and agriculture sectors; Federal workers in manufacturing; Federal corrections workers; and United States postal workers.
- | Phase 1c consists of essential critical infrastructure workers not recommended and included in Phase 1b. The Department of Homeland Security's Cybersecurity and Infrastructure Security Agency has provided guidance on identifying essential critical infrastructure workers ([Advisory Memorandum on Ensuring Essential Critical Infrastructure Workers' Ability to Work During the COVID-19 Response](#)).

HHS will review agency submissions and determine if the agency has the ability to effectively and efficiently administer vaccines to its workforce. If approved, allocations to agencies will be based on weekly vaccine dose availability.

Agencies that do not receive a direct allocation of vaccines should ensure that they are communicating with relevant state and local jurisdictions regarding employees that are within the jurisdiction's priority groups. Please submit questions to the following email address:

(b) (6).

Sincerely,

Lesley Field

Good Evening,

The OMB management team looks forward to getting this group back together on a regular basis to discuss shared management issues and initiatives broadly. We appreciate members of the agencies' career leadership teams stepping in to help us keep this important line of communication open, so we will be meeting regularly – and virtually – starting tomorrow. As your policy officials come on board, please let us know so we can update our manifest.

Due to the COVID crisis, we will continue to focus on workplace safety and related issues as we work to implement the President's recent [Executive Order on Protecting the Federal Workforce and Requiring Mask-Wearing](#) and will focus a significant part of our time on this issue tomorrow. We would also like to take this opportunity to begin discussing additional PMC-related issue so that we have the benefit of your input on the administration's new priorities. For example, tomorrow we will also spend time on the recent [Made in America Executive Order](#) to bring everyone up to speed on recent activities in support of that effort.

We look forward to tomorrow's conversation, and to working with you on an ongoing basis as we implement these and other management initiatives.

Sincerely,

Lesley Field
Acting Deputy Director for Management
Office of Management and Budget

Lily Welch | Confidential Assistant

Checking with our acting exec sec to see if they maintain such a list. Happy Friday!

Thank you for looking into it.

Is there a larger list of deputies that OMB holds? I just want to be sure GSA has someone on the list. If you point me in the right direction I can ask someone else.

Sorry to bombard you with all my OMB related questions.

I think there was a cyber security related deputies meeting tonight and I did not receive an invite. I am worried that I am not on the deputies list because I am acting agency head. Who can I check with to make sure GSA has someone on the Deputies distribution list?

PS - I am not going to attend the deputies meeting tomorrow on the SFWTF work - Brett and Zoe will attend.

Thanks for your help!

Forgive me as I am getting used to my new position. Do you have any other additional guidance about who should be on this team (career vs appointee, specific positions, can we have more than 1 POC...)?

Thanks.

Dear colleagues:

Thanks to you and your teams for joining us for this morning's discussion. Sorry that the meeting was cut short by Zoom, we appreciate your patience, and we'll work on improving the videoconference solution for our next call.

Thank you also for taking time last night and this morning to quickly review the (b) (5) [REDACTED]. We'll circle back to a few of you tonight and tomorrow morning on specific issues you raised. And we will continue to work with this group on (b) (5) [REDACTED], in response to other considerations you identified during review.

To that end, we're looking forward to working with you/your agencies on a policy implementation process over the coming weeks.

- | By January 26, please send your agency point people to participate in the NEC & OMB policy process to Joelle Gamble at (b) (6) [REDACTED].
- | NEC will work with OMB to draft an implementation proposal next week. We'll bring it to our first policy implementation meeting (with the individuals you recommend), to be scheduled on February 1.

Thank you, again.

The purpose will be to introduce the new CHCO Council leadership, including Kathy and Lesley in their Acting Chair and Vice Chair roles, and provide an opportunity for sharing and discussion around several of the recently issued EO's. Attached is a draft agenda.

Would you be available to make some very brief remarks on the masking EO and future work of the task force? For example, Cristin, might you re-iterate the three things agencies need to do as you did on the PMC call last night? Sam, could you provide next steps on the task force? All of this can be a high-level overview since there is overlap with attendees from the PMC meeting last night.

We have limited time, but are also thinking about teeing up a couple of agencies who could briefly talk about how they are approaching their plans. If you have suggestions of agencies we might invite to speak who have been leaders on the COVID safety measures so far, please let me know.

Dustin/Kristy, look forward to catching up with you on this at 11am, as well.

Thank you in advance!

IPC Colleagues,

Thanks for your comments and edits on the previous version of this draft E.O. Attached is an updated draft for your review. Given the level of edits I recommend reviewing with simply mark up.

Comments and edits are due back by COB Tuesday February 23. While I welcome line edits, please identify critical edits and comments that would be raised for Deputy consideration. Next steps upon receipt of critical edits will be adjudication, bilateral conversations as needed, and moving to a DC discussion.

Non - Deputy level feedback to (b) (5) is welcome, given it is a newly inserted section.

All comments and feedback from the previous round of edits were reviewed and adjudicated as appropriate. (b) (5)
Happy to further discuss with D/A's if I haven't already touched base as to why certain items were left out and/or can be implemented via other policy levers.

Again please protect this deliberative document and ensure it remains within the federal government only.

Thanks and have a good weekend,

Iranga

Subject: REVIEW BY COB 16 FEB - Draft EO language

IPC Colleagues,

Attached is a preliminary draft of the (b) (5), based on your input. Please disregard formatting issues and focus on substance. Please provide in writing any edits or feedback by **COB Tuesday February 16** for adjudication. I realize the quick turn on this, but we are working on expedited timelines. We will continue to refine this next week but need feedback as soon as possible. Please provide line edits and/or flag issues of concern. NSC will adjudicate edits as received and convene relevant folks directly or in small groups to facilitate edits, and not have a larger IPC unless needed to allow for flexibility and quick adjudication.

A couple items to flag:

(b) (5)

Please share with relevant folks within your agency if they are not on my distro. Please do not share outside of the federal government.

Please reach out to me should you have any questions. Thanks for your flexibility and quick turn on this.

Best,

Iranga

Update 2021-02-10 18:45: Please refer to the attached agenda and prep paper in advance of tomorrow's meeting.

Gina McCarthy is looking forward to your participation in the first meeting of the National Climate Task Force on Thursday, February 11th from noon to 2:00 pm.

The meeting on Thursday will provide an initial opportunity to discuss the Task Force's key role in mobilizing the administration's whole-of-government attention on the climate crisis, and the fast start that already is underway on climate. In Thursday's meeting, each agency and EOP Task Force member will be invited to say a few words about priority projects that they are looking forward to launching --or already may have launched -- to take on the climate crisis. To help trigger everyone's

thinking, we have attached a template that we will ask members to complete after the meeting. The meeting also will provide an opportunity to hear from Secretary Kerry about the international team and efforts underway to ensure that the U.S. treats our climate crisis as the significant and growing national security threat that it is, with the U.S. providing leadership in Glasgow this coming November as countries across the world make commitments to meet the challenge of climate change.

We will be sending an agenda and short read-ahead for the meeting on Wednesday. Please call or email Roque Sanchez (b) (6), 202-881-8703) with any questions.

Hi Katy, Brett, and AJ:

While we haven't made a decision about (b) (5)

At your convenience, could you please send a brief email to (b) (6) with a cc: to Tasha Demps, (b) (6), requesting to re-open your MAX accounts?

If you have any trouble, you can reach out to one of us at OMB & we'll be sure to find someone to assist.

Thanks!

We're going to leave it to your discretion, 3 people total per agency. Katy is bringing her, GC, COS from GSA.

The (b) (5) will come from Lesley in the invite.

Thanks for the update.

Is there any text for (b) (5)?
So far we have just been thinking (b) (5) Also, guidance on who we should plan to bring to the meeting? I was hoping Lynn (our GC) and Margot (the Executive Director of the CHCO council) at least.

Thanks teams OPM and GSA!

My suggestion, unless Carole has another idea, is for OPM and GSA to meet and discuss your suggestions and recommendations for how to move forward on the task force. Then we can find time on Monday to circle up together on next steps.

Thank you!

Cristin

Hi Cristin and Dave -

Great news! Dana Fowler and the Office of Shared Solutions and Performance Improvement (OSSPI) is ready to support the task force.

If you all have time to meet at 4 or 4:15pm today we can meet to discuss what that support looks like. Otherwise, maybe Dana (or someone on your team, Dana) can attend the 4:30pm meeting today to see what we are dealing with and then we can figure out next steps.

Let me know if you have time at 4 or 4:15pm for a check-in - otherwise I will see you at 4:30pm

Hi all:

Thanks again for gathering earlier today to discuss (b) (5)

See attached for an updated email draft for sending by Lesley Field to CHCOs and others this evening.

I'm seeking affirmative clearance from CDC via AJ, and any red-flag edits OPM and GSA, by 7:45 PM tonight, please. Please respond directly to Carole Johnson (b) (6), Lesley Field (b) (6) and me (b) (6).

Thanks very much for the quick turn.

Kristy and I will be back in touch tomorrow morning with a time for a next call tomorrow afternoon and a deadline for any comments on the (b) (5) ahead of that call. Looking forward to continued collaboration with you on this important topic.

Best,
Cristin

Attachments: Agency Vaccine Allocation Request Form_Final.xlsx ; PDFMailer_vaccines.pdf

Good afternoon –

On today's call, a couple participants mentioned that they did not receive the email that was sent from the OMB vaccine inbox last night. In the interest of time, while we sort out our list recipients, I am cutting and pasting the communication below and sharing with PMC meeting invitees. Please forgive me if this email is a repeat.

Thank you,

Kristy

Agency leaders –

Thank you for your continued work on vaccine prioritization efforts for your Federal critical infrastructure workers. As mentioned at our last PMC meeting, while we are encouraging continued collaboration with state and local jurisdictions, we are also working to provide a direct allocation option for Federal critical infrastructure workers, including contractors.

HHS has convened meetings with several agencies and is establishing a centralized process for agencies to request and receive a direct allocation, including those that require partnership with another agency. Note that this process requires new legal agreements and new systems/IT connections, requires significant level of planning on the front end, and we do not yet have an estimated timeframe under which these allocations will be available. Please know that we are working as quickly as possible to put this in place.

Please note, we are no longer asking for weekly updates via MAX – instead, you should work to provide your full request within the parameters outlined below. Once we have your request, we may provide updates and adjustments as necessary.

For purposes of obtaining vaccination through state and local jurisdictions, we would advise agencies to communicate prioritization status to critical infrastructure employees, so that they are aware what specific category they fall into for this process. Providing documentation may be helpful as employees seek vaccines from state and local jurisdictions. Please see the attached example of an employee notification letter, which may help to guide your communications with employees.

For agencies that HAVE NOT YET SENT a vaccine allocation request:

To support the HHS efforts, we are asking agencies that have not already sent in requests to do so ASAP via this MAX page: [COVID-19 Vaccine Allocation and Ordering - OMB - MAX Federal Community](#).

Please use the attached Excel template for your agency's request. We will use this information as we determine next steps for all Federal agencies and will continue to share information at our regular PMC meetings.

Please note - when submitting vaccine allocation requests (on the attached template) to the MAX page, please follow these instructions:

Include the full request (1a-b-c, in-person Federal employees and contractors).

Submit job descriptions/justifications for each priority category on the columns in the Excel

spreadsheet.

Flag existing partnerships with other agencies in your submission. *If you need assistance in finding an agency partner, please reach out to OMB through the (b) (6) mailbox, and also note on **your allocation submission that you will need a partnership in order to execute**. You should not wait to secure a partnership before submitting a request.

For agencies that HAVE ALREADY SENT a vaccine allocation request:

If you need to update your submission based on the information above (e.g., your initial allocation request was only partial), or changing circumstance, please submit an updated request via the MAX link cited above. If you have not yet submitted job titles and descriptions, please include this information on the template attached to this email and submit to MAX. If you have this information readily available in another form or format, please feel free to submit what you have (as long as justification information by 1a-b-c is included).

For agencies that HAVE ALREADY RECEIVED A DIRECT ALLOCATION:

No further action is necessary.

We will discuss more at tomorrow's PMC meeting. In the meantime, send any questions to

Colleagues,

Thank you for the last round of edits. I've attached the latest version of the draft EO, which has undergone (b) (5). NSC is requesting critical comments by 12 Noon Friday 5 March. NSC will then hold a Deputies Committee on the EO the week of March 08. Please stand by as the front office determines and assigns the specific date/time.

The attached version is clean with markers of where (b) (5)

Please reach out to me should you have any questions. Please do not share this with entities outside the federal government.

Best,

Iranga

Good morning –

Thank you for participating on our masking call yesterday. As you probably know, the guiding Executive Order was issued last night, and can be found here:

<https://www.whitehouse.gov/briefing-room/presidential-actions/2021/01/20/executive-order-protecting-the-federal-workforce-and-requiring-mask-wearing/>

We will be meeting again today, from 4:30-5:15PM, to cover the following agenda items:

Agenda

Any (b) (5) for awareness
Any (b) (5)
Continue (b) (5) discussion
Next steps after (b) (5)

Attendance at this meeting will include those on yesterday's call, plus representatives from DHS's Federal Protective Service and the CDC (AJ, we will follow up with you for a CDC POC).

Prior to this meeting, please review the attached (b) (5) document, and provide any red-flag only comments or suggested edits to Kristy Daphnis (b) (6) no later than 1:30 PM.

Thank you,
Kristy

Hi all:

Thanks again for gathering earlier today to discuss masking and other steps to ensure a safe federal workforce and on-site federal contractors.

See attached for an updated email draft for sending by Lesley Field to CHCOs and others this evening.

I'm seeking affirmative clearance from CDC via AJ, and any red-flag edits OPM and GSA, by 7:45 PM tonight, please. Please respond directly to Carole Johnson ((b) (6)), Lesley Field ((b) (6)), and me ((b) (6)).

Thanks very much for the quick turn.

Kristy and I will be back in touch tomorrow morning with a time for a next call tomorrow afternoon and a deadline for any comments on the (b) (5) ahead of that call. Looking forward to continued collaboration with you on this important topic.

Best,
Cristin

Colleagues –

Please see the attached OMB memorandum to agencies providing implementation information supporting the recent Executive Order on Protecting the Federal Workforce. This memorandum has been shared directly with your agency heads who are responsible for submitting a revised COVID plan for their agency by Friday, January 29th. Questions about the memo may be directed to our inbox:

(b) (6)

We will host a PMC meeting this Monday, January 25th from 4:30 – 5:30 PM to discuss this memo and the implementation principles. An invite with call-in information will be distributed this afternoon by Reena Duseja.

That's perfect.

Lily - You can coordinate with Monique to get the group together.

Thank you both!

Hi there!

Any chance I can get 15 minutes with you this week to talk to you about the PBRB? Specifically, how PBRB GSA ,and OMB work together on the Federal Asset Transfer Act (FATSA) Process.

Happy to connect 1:1 so I can get you caught up on a few things - or you can bring some of your team and I will bring Brett (COS) and Nitin (GC).

Let me know if there is someone better to help coordinate.

Talk to you soon.

Thanks Katy! Happy to chat about this. I'd suggest Brett and Nitin join, as well as Bill Hamele from OFFM and Angela Donatelli from the GSA RMO.

Lily can help find time this week to discuss!

Thanks for reaching out.

Hi there!

Any chance I can get 15 minutes with you this week to talk to you about the [PBRB](#)? Specifically, how PBRB GSA ,and OMB work together on the Federal Asset Transfer Act (FATSA) Process.

Happy to connect 1:1 so I can get you caught up on a few things - or you can bring some of your team and I will bring Brett (COS) and Nitin (GC).

Let me know if there is someone better to help coordinate.

Talk to you soon.
